### ABOUT MTOTO W'AFRIKA

### CHILD CARE MINISTRIES

We are a non-profit christian organisation in rural Africa whose mission is to educate, groom, and build a resilient, christly-self reliant, resourcefull African Child as one community raises another- each village reaches out-while we offer support through bringing resources closer to the community reach.

We avail room for all to engage, learn and serve, so as to develop, refine and maximise our God given gifts.
